

## NOTES FOR SERVICES CREWS

Read these instructions carefully, and exercise care and courtesy when driving through towns and villages on route.

Each registered Service Vehicle is issued with a Rally Service Plate which must be affixed to the vehicle's windscreen. This plate will bear a number and the letter 'S', and the number will correspond to that of the competitor receiving the Service Pack where practical.

Service Crews **MUST** follow the instructions given regarding Service Areas and the route between them. Any Competitor whose Service Vehicle is *observed* in an OUT OF BOUNDS area will be penalised 10 minutes for the first offence and by EXCLUSION from the results for the second offence; any Competitor *receiving assistance* from a Service Vehicle in an OUT OF BOUNDS area will be EXCLUDED on the **first offence** (see Art.17.8).

All the above vehicles will be allowed into all main Service Areas.

Time Controls are situated at the exit of each main Service Area and Service Crews must follow the instructions of marshals at these Controls.

A Regroup will operate when competitors leave SV A and SV B, to close up any gaps and keep the Rally together as much as possible.

Judges of Fact will be patrolling the area and Service Crews are reminded that their associated competing car may be penalised for any infringement of the servicing regulations - including excessive noise, bad driving manners, etc. (see Art. 17.6).

In the event of their competitor retiring within a Special Stage, Service Crews may wait at the start of the Stage until it closes and they will then be allowed to enter to retrieve the car.

As usual the various Police Authorities will be observing the Rally and speed checks may be made during the event.
