ROAD BOOK

List of Contents

1. List of Main Controls, Passage Controls, Special Stages and Service Areas (Blue paper)
2. Route defined by Map References (Blue paper)
3. "Tulip" type Road Book (White paper)
4. "Tulip" Cards for the Special Stages (Yellow paper)

Servicing

NB Servicing is only allowed at those places detailed in this Road Book. In addition Service Vehicles are restricted to using classified roads with the exception of the road between the Service Area at Dylife, MR 862940 and the B4518 at MR 883938. The A487 North of Machynlleth and the B4404 West of Passage Control at MR 808044 are also out of bounds. Penalty for servicing anywhere other than a permitted area or for a Service Vehicle being observed in an out of bounds area is Exclusion - see ASR's. In addition the Police have advised us that servicing either on the public highway or lay-byes renders those responsible liable to prosecution.
