AUDI SPORT NATIONAL - SATURDAY 20TH OCTOBER 1984

FINAL INSTRUCTIONS

FOREWORD

It is regretted that our experiment of setting a cheaper entry fee in an attempt to encourage more entries has failed. Thanks to increased support from our sponsors however, we are pleased to report that we have been able to set the maximum standard rate entry fee at £130.00. We trust that competitors will realise the need for this and also appreciate that this fee represents extremely good value for money, as there has been no reduction in planned stage mileage or standards of organisation.

We should be grateful if, after scrutineering, all competitors would first report to the financial desk in the signing-on area before proceeding to sign on.
