The Official Notice Board

The official notice board will be displayed at The Albrighton Hall Hotel, the rally headquarters, throughout the competition. There will be a duplicate noticeboard at the start for the period that it is open.

Noise check and Scrutineering

On arrival in Shrewsbury competitors should proceed to the **main entrance of the Livestock market** in Harlescote Lane and **visit Competitor Reception** is situated approx. 100m inside the main gate and where **rally plates and numbers will be issued** (see attached diagram).

You are then advised to proceed to the parking area, as directed by the marshals, **unload trailers** and please park trailers in the trailer park area.

Competition vehicles should proceed to the **Pre Noise Check Waiting Area**. The attached **Noise Check Time Schedule shows your allocated time**. This time is as close as possible to the time you requested. Please note that those competitors who did not nominate a time have had a time allocated at the organisers discretion. Please queue in the channel where your time is displayed.

You will be issued with a **process card** and allowed into the **Noise Check** at your allocated time.

If you arrive very early you may queue in the "early birds" pen and the marshals will let you go through if there is a gap. You would still go through at your allocated time if no gap has presented itself.

If you are late and miss your allocated slot you must park in the "late comers" queue and the marshals will slot you in as soon as there is space.

We would appreciate your co-operation in this matter.

Immediately **after Noise Check** only the competing vehicle must **proceed to William A Lewis Volvo Dealership for Scrutineering**.

The access to scrutineering is ONLY via Harlescote Lane, Battlefield Road, Arlington Way and Henley Way.
