Bulldog Rally 2006

Competitors Information No 1a

10 October 2006

Help Desk

The organisers Help Desk will be inside The Pedigree on Bulldog Rally Base at Oswestry (MR 126 / 300287), between 10.00 hrs and 21.00 hrs on Friday and 07.00 hrs and 19.30 hrs on Saturday. The help desk number is 07967 862501.

The Official Notice Board

The official notice board will be displayed at The Pedigree, Bulldog Rally Base, Oswestry, throughout the competition.

Arriving at Oswestry

On arrival in Oswestry competitors should proceed to the main entrance of the Bulldog Rally Base on Shrewsbury Road and park as directed.

Rally plates and numbers will be issued at Competitor Reception, situated inside The Pedigree (see plan). Rally plates, numbers and high visibility window numbers will be supplied free of charge and must be applied in accordance with the regulations.

Please park trailers in the trailer park area shown on the attached plan.

NO TRAILERS WILL BE PERMITTED IN TO THE SERVICE AREA AT DOLGELLAU

Competition vehicles should proceed to the Pre Noise Check Waiting Area at the time stated on the accompanying schedule of documents. This time is as close as possible to the time you requested. Please note that those competitors who did not nominate a time have had a time allocated at the organisers discretion. Please queue in the pen where your time is displayed.

You will be allowed into the Noise Check at your allocated time and Process Cards will be issued here.

If you arrive very early you may queue in the "early birds" pen and the marshals will let you go through if there is a gap. You would still go through at your allocated time if no gap has presented itself.

If you are late and miss your allocated slot you must park in the "late comers" queue and the marshals will slot you in as soon as there is space. We would appreciate your co-operation in this matter.

Immediately after Noise Check the competing vehicle must proceed to Scrutineering

After successfully completing scrutineering return the vehicle to the assembly area and the crew should take the process card to documentation in the Pedigree.

In Car Cameras

Any crew proposing to carry an in car video camera must attend scrutineering with the complete camera in place and declare the fixture to the scrutineer. There will be the necessary documentation at scrutineering to complete the formalities.

Start Procedure

A full list of starters and due times at MC0 will be published at documentation. The due time of first car at MCO will be 08.00 hrs. Saturday 21st October.

Competitors should report directly to the pre-start assembly area at the Bulldog Rally Base at least 20 mins prior to their due start time. Time cards will be distributed to competitors in this area.

Refuelling during the event

At the RallyBase in Oswestry and at the service area, segregated zones have been allocated for the specialist companies supplying competition fuel. The areas are solely for use by vehicles being refuelled by these companies. All competition vehicles may be refuelled either by the specialist companies, from roadside filling stations or by team personnel with fuel carried by the team. A limited number (2) of team personel will be permitted into the refuel area to assist with the refuelling. NO person carrying fuel will be permitted to enter the specialist refuel areas.

The organisers urge competitors to make use of the professional refuel facility. An order form for Greenergy fuels is attached to this information.

Results

Interim results will be available at the service area in Dolgellau and at the White Lion, Llynclys (Road Book Page 51, Diagram 16)

Finish and Prizegiving

The finish ceremony will be on the Bulldog Rally Base. The prizegiving will take place under the arch at the finish of the event.

Full results will be displayed in the Pedigree. There will be a full range of drinks and hot food.

Post event Scrutiny

Those vehicles required for post event scrutiny will be informed at the finish control and issued with directions to the scrutineering venue.

On Event Photographs

Photographs of the competitors in action on the Event will be taken by Mark Writtle 07889 273429, or 01746 767929 – proofs will be despatched to competitors after the event.

Other information

The 30MPH speed limit at reference 7 in RS4 is no longer there. There is now a set of traffic lights between reference 3 and reference 4 of RS5. There is ample time for the road section to allow for this, but be aware that a delay is possible.
